# Bridging the Gap Between Potential and Performance

Since 1966, Leadership Management® International has been bridging the gap between potential and performance by helping organizations and individuals evaluate their strengths and opportunities through implementation of the unique and proven LMI Process™.

## The LMI Process™

- Develops leaders who, in turn, empower their people to use their untapped talents and abilities.
- Identifies key areas the organization should focus on in order to reach the next level of success.
- Gives direction to an effective solution and delivers measurable results.
- Practices a 93 percent effective leadership model.

The LMI Process™ is designed around a Strategic Development™ model with four vital components:

- Awareness
- Planning
- Development
- Results Management

LMI® tools and processes have been making a difference in organizations and individuals for nearly 60 years in more than 80 countries.
