[6 FACTS ABOUT REMOTE WORK](#)

The shift to remote work has changed social capital in organizations. While employees report more meetings than ever, they also report more isolation and less connection.

Bridging the Gap Between Potential and Performance

Since 1966, Leadership Management® International has been bridging the gap between potential and performance by helping organizations and individuals evaluate their strengths and opportunities through implementation of the unique and proven LMI Process™.

The LMI Process™

- Develops leaders who, in turn, empower their people to use their untapped talents and abilities.
- Identifies key areas the organization should focus on in order to reach the next level of success.
- Gives direction to an effective solution and delivers measurable results.
- Practices a 93 percent effective leadership model.

The LMI Process™ is designed around a Strategic Development™ model with four vital components:

- Awareness
- Planning
- Development
- Results Management

LMI® tools and processes have been making a difference in organizations and individuals for nearly 60 years in more than 80 countries.
